

WORKING WELL TRUST EQUAL OPPORTUNITIES DECLARATION

Working Well Trust is committed to being an equal opportunities organisation.

We recognise that in society certain groups and individuals suffer discrimination. We are committed to opposing discrimination against people on the grounds of race, colour, religion, gender, class, age, disability, marital status, sexual orientation, HIV status, trade union activities, because they have dependents, or because they have been or are in contact with mental health services.

We acknowledge that we have a duty – both moral and legal – to ensure that we are not unfairly discriminatory in our employment, training, management, commercial or any other activities.

We are committed to full involvement of users of our services in every aspect of the work of Working Well Trust, where possible and when appropriate, enabling them to be represented in the planning, management and delivery of our services.

All people who use the service, or work for, or on behalf of Working Well Trust are expected to actively promote this policy.
